To Whom It May Concern

We had a problem with the Lamp Shades in our hotel, **HOLIDAY INN KUALA LUMPUR, GLANMARIE** and managed to contact **KAPOOR LAMP SHADES (M) SDN BHD.**

We are glad that we chose this long established company (since 1983) to solve the issue. They came out with a great solution and we accepted and ordered the same with them. Our issue was resolved speedily to our satisfaction. .

Since then, they have been our trusted and reliable vendor. Their Lamp Shades meet the high standards needed by hospitality industry.

Therefore, I without hesitation do recommend or introduce, KAPOOR LAMP SHADES (M) SDN BHD to others who are looking for quality and reasonably priced lamp shades.

Yours sincerely,
