To Whom It May Concern

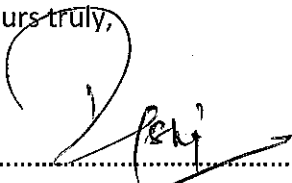

While we were sourcing for replacement Lamp Shades for our hotel rooms at **THISTLE PORT DICKSON RESORT** and managed to contact **KAPOOR LAMP SHADES (M) SDN BHD**. They responded quickly and gave a reasonable quote for the required lamp shades.

We were happy and placed an order with this company, **KAPOOR LAMP SHADES (M) SDN BHD** which was established since 1983.

Subsequently, they have been supplying us the Lamp Shades within the stipulated time. Their Lamp Shades are to our required standards and quality.

Hence, I without any hesitation will refer, this organisation to anyone who needs their services.

Yours truly,
