To Whom It May Concern

VIVANTA LANGKAWI worked with KAPOOR LAMP SHADES (M) SDN BHD to provide new lamp shades for wall lights, table lamps and floor lamps in the guest rooms as well as the public areas of the Resort. The new lampshades were of good quality, enhanced the ambience of our Resort and met the quality standards that our discerning international & domestic guests expect.

I would gladly recommend or refer without any hesitation, **KAPOOR LAMP SHADES (M) SDN BHD**, for their superior services as they are pioneers in the lighting business for the past thirty-eight (38) years.

Yours sincerely,

Ravi Nischal
General Manager
