To Whom It My Concern

We have known KAPOOR LAMP SHADES (M) SDN BHD (KLS) since year 2012. They have managed to solve the **Spa area Lightings** at our Hotel where other contractors/dealers in lighting were unable to deliver.

Ever since then they have been supplying quality **Light fittings and lamp shades** to our Hotel. KLS also provide **lighting solutions** for the reading and table lamps which we had issues with. Therefore, without any hesitation we strongly recommend them to any others who may require their services.

With Best Regards
