To Whom It May Concern

We had a privilege to work with **KAPOOR LAMP SHADES (M) SDN BHD** in the project of replacing the bathroom lights in all our 442 rooms in the year 2008. Since then, they have been our supplier of Lamp Shades for the rooms and lobby areas in our hotel, **SAMA-SAMA HOTEL KLIA, SEPANG, Selangor Darul Ehsan.**

They also did the re-upholstery works for our lobby, rooms and restaurant pendant lights. The works were carried out to our satisfaction within the short lead time.

Therefore, I gladly and confidently recommend/refer, KAPOOR LAMP SHADES (M) SDN BHD to others who are looking for such great services.

Thanking you.

Yours sincerely,
